9	09.11.2010	<p>This is a case in which the distribution licensee-JSEB has not provided electrical connection to the applicants of village Odeydaru, Block & P.S. Sonahatu, District Ranchi despite receiving security deposits from them in the year 2004. The distribution licensee-JSEB was directed to file their show-cause as to why the applicants of Odeydaru village have not been provided with the electrical connection even after lapse of six years. The distribution licensee-JSEB has filed their show-cause stating, inter-alia, that the village Odeydaru would be electrified by the end of this month i.e. November 2010 as the required infrastructure is almost complete and only the electrical wire has to be laid down from the main line which could not be carried out from the fields where the paddy crops are growing. It has further been stated that the villagers have also consented and assured that the crops would be cut out by the mid of this month and only thereafter the wiring/laying out extra poles may be continued. A copy of the letter to this effect has also been enclosed with the</p>
