13	05.05.2012	<p>From the two records i.e. 26/2010 and 18/2011 that these two petitions pertain to certain amendments carried out in the JSERC (Electric Supply Code) Regulation, 2005.</p> <p>It has been ordered earlier that a public hearing is to be organized to know the views of all the stakeholders which is not yet done. Tariff fixation of all licencees is in the progress and it will be difficult to find time for a public hearing in May, 2012. The Commission feels that the said two petitions be put on Commission's website for inviting comments/suggestions from the stakeholders giving 30 days notice.</p> <p>In view of this, Secretary-In-Charge should ensure that these two petitions are loaded in the website and an advertisement in the leading newspapers is carried out inviting comments/suggestions giving 30 days notice.</p> <p>On the expiry of 30 days notice public hearing will be fixed.</p> <p style="text-align: center;">Sd/- Member</p> <p style="text-align: center;">Sd/- Chairperson</p>
