9.	26.07.2011	<p>In compliance of order dated 18.7.2011 the licensee-TSL has sent the additional data and the clarifications relating to Tariff Petition for FY 2011-12. Let it be sent to the consultant, PwC for further action.</p> <p>The Chief of Electrical Maintenance of the licensee-TSL has sent another letter No. PBD/306/59/11 dated 25.7.2011 stating, inter-alia, that they had submitted their Tariff Petition for the year 2011-12 in the month of April 2011 on the basis of data available at that point of time. Further, the licensee-TSL has stated that there have been substantial changes in the data during the last three months relating to Power Cost and Interest rate. In view of this it has been requested to incorporate the above changes in the ARR while issuing the Tariff Order for FY 2011-12 and to consider an appropriate increase in the tariff to take care of the increased ARR.</p> <p>Perused the letter.</p> <p>The licensee-TSL in their Tariff Petition for FY 2011-12 had not prayed for increase in the tariff. During the public hearing also it was stated that they do not want any increase in the tariff of the licensee-TSL. Now</p>	

by the instant letter dated 25<sup>th</sup> July 2011 a request has been made to increase in the tariff to take care of the increased ARR due to changes in the Power purchase cost and Interest rate.

The Commission feels that before passing any orders on the petition contained in letter dated 25.7.2011 of the licensee-TSL for incorporating the changes relating to Power Cost and Interest Rate in the ARR for FY 2011-12 and increase in the tariff, it is necessary to hear the licensee-TSL.

Issue notice to the licensee-TSL for hearing on **05.08.2011 at 11.30 AM.**
