4.	20.04.2011	<p>The record was to be put up on 15.04.2011 but could not be done because the Member (E) was on leave and thereafter the Commission had gone to Hazaribagh for public hearing on the tariff petition of JSEB. As such, the case is taken up today.</p> <p>During the course of hearing on 04.04.2011 it was pointed out the licensee-TSL wants to draw more power from its Captive Power Plant, which is likely to be commissioned shortly. It was also argued that it will be a separate company. Since there is no mention in the pleadings about a separate legal entity from which extra power is to be taken, the petitioner was directed to clarify the aforesaid issue.</p> <p>The General Manager, TSL vide his letter No. PBD/65/59/10 dated 13.04.2011 has prayed for time on the ground that the Chief of Electrical Maintenance of Tata Steel Limited is out of station.</p> <p>Perused the letter.</p> <p>The prayer is allowed. The case is posted to 30.04.2011 at 11.30 AM for further orders awaiting clarification from the licensee- TSL</p> <p style="text-align: right;">Sd/- Chairperson</p>
