

**JHARKHAND STATE ELECTRICITY REGULATORY COMMISSION
RANCHI**

FORM OF PROCEEDING

Case No. **25** of **2011**

M/s Marshall Alloy & Steel Pvt. Limited Petitioner
Versus
Jharkhand State Electricity Board & Ors. Respondents

Sl. No.	Date of proceeding	Proceedings of the Commission with signature	Office action taken with date
1	2	3	4
03	10.09.2011	<p>Both the parties are present.</p> <p>A Counter Affidavit has been filed on behalf of the respondent-JSEB. Let it be kept on record. A copy of the said Counter Affidavit has been served on the petitioner today during the course of hearing.</p> <p>Heard.</p> <p>The learned counsel for the petitioner submits that the petitioner is a consumer of the licensee-JSEB having sanctioned load of 475 KVA on 11 KV under HTSS tariff and has applied further for additional load of 235 KVA in the month of April 2010. On verification of the proposal it has been observed that the proposed 235 KVA load was for the purpose of Scrap Roller Crusher, Magnetic Separator, Bale Machines and for lighting & other accessories, which does not relate to HTSS category. It has been submitted that HTSS tariff is applicable for only Induction/Arc furnace and as such any load beyond the scope of the applicability of Tariff provision cannot be inserted under the same tariff. However, it has been submitted that if the petitioner applies for additional load under HTS category, the</p>	

licensee-JSEB may permit/allow the additional load to the petitioner.

The petitioner submits that the application of the petitioner does not violate the “Applicability of Tariff provision” as it is mentioned specifically in the Tariff Order of JSEB for FY 2011-12 that in case of induction/arc furnace consumers (applicable for existing and new consumers), the contract demand shall be based on the total capacity of the induction/arc furnace and the equipment as per manufacturer technical specification and not on the basis of measurement. In view of this it has been submitted that any other equipment other than induction/arc furnace will be covered under HTSS category.

After hearing both the parties the Commission directs the licensee-JSEB to submit the details of the existing connected load particulars of the petitioner as per the Agreement executed between the parties. Also both the parties are directed to produce a copy of the Agreement by the next date.

Post this case on **24.09.2011** at **03.30 PM** for further hearing.

Let a copy of this order be sent to the parties.
