1.	03.11.2011	<p>The Tariff Order for FY 2011-12 of Tata Power Company Limited (hereinafter referred to as "TPCL") was issued by the Commission on 20.08.2011. In the said tariff order various directions were given for compliance within a specified period of time. But the generator-TPCL has not submitted compliance for any of the directions.</p> <p>Further, as provided in the JSERC (Terms & Conditions for determination of Generation Tariff) Regulations, 2010, the tariff for the Generating companies has to be determined under the MYT framework during the Control Period which will commence from April 2012 to March 2016. Clause 6.6 of the said Regulations provides for filing the Business Plan for the Control Period for the generating plants by June, 2011, but the generator-TPCL neither filed the compliance of the directives, in full, nor the Business plan to the Commission. As such, the Commission, taking a lenient view, directed the generator-TPCL to file the Business Plan for its generating plants by 1st November, 2011 along with the petition for determination of tariff under the MYT</p>	

framework. The said direction of the Commission was communicated vide letter No. JSERC/17/Vol. II/ 418 dated 15th September, 2011.

In reply to the aforesaid letter, the DGM (Regulation) of generator-TPCL vide letter No. REG/JSERC/10/287 dated 27.10.2011 has submitted that the accumulation of past data and firming up the projections for MYT Business Plan especially for Capex proposals and O&M expenses require accuracy and as such for this work though all possible efforts & focus have been employed in drafting the MYT Business Plan. However, they require more time to finalize the same. It has been further been stated that the subsequent MYT petition would take further more time as this would consist of truing up of FY 2010-11, APR of FY 2011-12 and tariff proposals for FY 2012-13 to 2013-14 based on the submitted MYT Business Plan. In view of this and considering the volume of work involved, they required of about one month for filing the MYT tariff petition. It has, therefore, been prayed to grant them time for filing of MYT Business Plan by 30th November, 2011 and MYT tariff petition by 31st December, 2011.

Persued the letter. Register it.

Considering the facts and circumstances mentioned in the letter dated 27.10.2011 of the generator-TPCL the prayer is allowed. The generator-TPCL is directed to

adhere to the time-line given by it and must ensure to file the MYT Business Plan by 30th November,2011 and MYT tariff petition by 31st December, 2011 along with the audited Accounts and consolidated compliance report of the directions issued in the Tariff Order for FY 2011-12.

Post this case on **02.01.2012** at **11.30 AM** for further orders.

Let a copy of this order be sent to the generator-TPCL.
