Sl.No	Date of Proceeding	Proceeding of the Commission with signature	Office action taken with date

03	31.03.2015	On 19.03.2015 the respondents, as prayed for, were granted one week time to locate the concerned official(s) responsible for non compliance of the order of the Commission dated 09.05.2014. It was made clear that no further time will be allowed and appropriate order shall be passed against the erring official(s) - apart from awarding due compensation to the sufferer. Instead of complying with the order passed by learned CGRF dated 18 th March, 2008, learned Ombudsman dated 4 th September, 2008, order of the Commission dated 09.05.2014 as well as direction of the Commission dated 19.03.2015, the respondents have come with a petition praying for four weeks time on almost the same ground on	

which their prayer was earlier rejected by the Commission directing them to comply with the order of learned CGRF dated 18th March, 2008 upheld by learned Ombudsman by his order dated 4th September, 2008. This shows the defiant attitude of the respondent, and attracts legal consequences. As the provision is penal the proceeding is warranted against the person(s) who are responsible for not complying with the order. Since the respondents have not disclosed the names of the erring officials, the petitioner is directed to furnish the names and addresses of the persons responsible for non-compliance of the order so that appropriate order be passed against them.
