The petitioner has filed this complaint under section 142 of the Electricity Act, 2003 alleging non-compliance of the order dated 18.11.2009 passed by VUSNF in Case No. 11 of 2009, further upheld by the learned Electricity Ombudsman, Jharkhand by order dated 8.7.2010.  When the case was taken up on 14.05. 2015, learned counsel for the petitioner submitted that he has to verify from the record whether any fresh order has been passed or any communication is made in connection with the case by the concerned authority and thereafter to take further step,</p>

if so required. But the petitioner has not informed the Commission about the further developments till date. The case is pending since April, 2015 and there is no progress because of lackadaisical approach in pursuing this case.

When the case is taken up today, no body appeared on call.

The Petitioner has approached the Commission for complaining non-compliance of the order dated 18.11.2009, after a lapse of more than five years. We do not find any explanation on record for the long delay in approaching the Commission.

In view of the above, we find no sufficient ground made out to entertain this complaint under section 142 of the Electricity Act, 2003 after a long delay of more than five years.

This case is, accordingly, disposed of.
