8	25.06.2020	<p>Case called out.</p> <p>Learned Counsels of both the parties appeared for virtual hearing.</p> <p>This petition has been brought by the petitioner for removal of difficulties under A 8 of JSERC (Rooftop Solar PV Grid Interactive Systems and Net/Gross Metering) Regulations, 2015. It is pointed out in the petition that regulation is silent on connectivity of a solar PV system above 1 MWp upto 2 MWp at 132 Kv voltage level. It is further submitted that the application of the petitioner who is to be connected at 132 KV to the grid is still awaiting approval for its power plant under net metering system.</p> <p>By order dated 8.1.2020 both the parties were directed, “to submit the feasibility report comprising net metering, safety aspect etc”.</p> <p>It appears that a committee was constituted; which has submitted a joint inspection report dated 4th February 2020. Electric Inspector as desired by the said committee has also</p>	

inspected and submitted a report.

The said joint committee and Electric Inspector had pointed out some deficiencies. By order dated 3.6.2020 both the parties were directed to remove the deficiencies and file an affidavit with regard to compliance. They were further directed to file a joint report especially with regard to safety aspect of the electrical system i.e. electrical protection of the system including transmission network.

It was pointed out in the argument that JUSNL and SLDC are necessary stakeholder for assurance of protection of the system especially transmission network.

Let JUSNL and SLDC be impleaded respondents.

Issue notice to them (JUSNL, SLDC and JBVNL) alongwith extract copy of this order for submitting their stand in the petitioned matter .

Put up on 8th July, 2020 at 2.30 PM for hearing.
