7	16.09.2020	<p>Case called out.</p> <p>Learned Counsel for the parties appeared for virtual hearing.</p> <p>Learned Counsel for the Respondent submitted that CERC has fixed ceiling for trading margin of up to Rs. 0.07/kWH and in the instance case Rs. 0.07/kWH has been mutually agreed between the parties.</p> <p>Learned Counsel further submitted that the pooled tariff is derived from weighted average of tariff offered by successful bidders and capacity allotted to them and all the buying utilities are being offered at uniform pooled tariff without any discrimination and it would remain the same for 25 years. It is further submitted that earlier the pooled tariff was Rs.2.502/kWh as agreed upon but now it has to be changed as the mapping for JBVNL has changed.</p> <p>It was pointed out during the course of hearing that the since the applicable tariff of the PSA filed for approval is proposed to be changed, as such the petition has become infructuous.</p>	

		<p>Learned Counsel for the Respondent prayed for time to file supplementary affidavit in this case.</p>
