1.	02.02.2011	<p>As per the Regulations, the due date for filing the ARR and the tariff petition for FY 2011-12 was 1<sup>st</sup> November 2010. Since none of the licensees and generators filed their tariff petitions for FY 2011-12 by the due date, the Commission by its order dated 4.12.2010 had directed all the licensees and the generators to file their ARR and tariff petition for FY 2011-12 by 31<sup>st</sup> December 2010. In compliance to the said order, only JSEB had filed its ARR and tariff petition for determination of tariff for FY 2011-12. The generator-TPCL had filed petition for grant of time for filing its tariff petition. The Commission after considering the request and taking a lenient view, by its order dated 4.1.2011, allowed the prayer and directed the generator-TPCL to file its tariff petition for FY 2011-12 by 31.1.2011. The said direction of the Commission was communicated to TPCL by letter No.622 dated 4.1.2011.</p> <p>In response to the aforesaid direction dated 4.1.2011, the DGM, TPCL vide his letter dated 28.01.2011 has requested for grant of time till 28.2.2011 to file the ARR and the tariff petition for FY 2011-12. It</p>	

has been mentioned in the letter that they are in the advanced stage of the work and have completed the sections pertaining to truing up of FY 2009-10 & ARR of FY 10-11 and are preparing the tariff proposal for FY 11-12. They are consolidating the various annexure including proposed capital expenditure schemes, capitalization schedule and filling up the tariff application forms as prescribed in the new tariff Regulations. It has further been stated that on account of the complex nature of the above tasks and huge data consolidation involved in them, they would require additional time of about one month from the previous approved date in order to complete the ARR and tariff petition for FY 2011-12 comprehensively and file the same. In view of the above, it has been requested to grant time till 28.2.2010 to file ARR and tariff petition of TPCL.

Perused the letter dated 28.1.2011.

Considering the seriousness of the generator-TPCL and also to the fact they are on the job in preparing the tariff petition and are expected to file the ARR and tariff petition for FY 2011-12 by the end of this month, the prayer is allowed and the TPCL is directed to file its ARR and tariff petition for FY 2011-12 by 28.2.2011. No further time will be allowed on any ground.
