**ORDER
(04.09.2010)**

The Commission after going through the pleadings and after hearing the submissions of the parties is of the view that it is in the interest of both the parties to sit together and decide the issue at the

earliest. In this context it is made clear that the Commission has already issued a Regulation regarding Renewable Purchase Obligation and all the distribution licensees are bound to procure a percentage of renewable energy.

With the above observation the petition is disposed of.

Let a copy of this order be sent to both the parties.
