IN THE MATTER OF

Proposal for selection of qualified bidders for procurement of power

ORDER
(4.7.2007)

The Commission has decided that the proposals for selection of qualified bidders for procurement of power submitted by JSEB should be returned with the following observations:

1. The bids can be invited only by the distribution licensee and not by the STU.
2. The approval of the Commission is required for the quantum of capacity/energy to be procured in case the same is exceeding the projected additional demand forecast for three years. The distribution licensee should get the demand forecast approved by the Commission before initiating the bidding process.
3. It should be certified, if there is any deviation from the bidding conditions contained in the guidelines issued by the Government of India.
