IN THE MATTER OF

ORDER

The Commission has gone through all the papers, documents placed before the Commission by the petitioners. The Commission also considered the presentation given on their behalf by their consultant. Keeping in view Section 9 of the Electricity Act 2003 and Rule 3 of the Electricity Rules 2005 and considering the papers, documents and presentation on their behalf, the Commission finds that the units in question are not captive power plants as they do not fulfill the requirements of the Act and Rules.
