**Sub: Request for inclusion as a party to be impleaded in the case No-15 dated 2020 before the Jharkhand State Electricity Regulatory Commission for Granting Relief, waiver and moratorium.**

Dear Sir,

We have a manufacturing unit at village-Karnidih, Po-Bhadudih PS-Chandil, Dist. Seraikella-Kharswan, Jharkhand. We are into the business of manufacturing of tapered spring leaf for automobiles for Tata Motors Ltd.

We have a HT connection of 1075 KVA and our consumer No. is HT-77 under the administrative jurisdiction of the SDO, Chandil Sub Division, Electrical Circle-Chaibasa.

Our company and the Client/Customers have been reeling under the impact of economic recession since second half of the year 2018. The Corona Pandemic has added to its woes.

As such our company because of its depleting order book & unfavourable market conditions has been utilizing less than 10% of its approved production capacity and struggling to keep itself afloat.

We have started operating our plant after relaxation of lockdown with limited number of employees from 1<sup>st</sup> June 2020.

Please be informed that, we have paid all our energy bills up to June 2020.

From the above your good self will appreciate that, owing to lockdown related restrictions our plant remained inoperative/idle during March to June 2020 but had to bear financial burdens like fixed electricity demand charges of Rs.11,28,750/- for the months of March 2020 to June 2020,

besides salary and wages, salary/wages for lockdown period and other fixed expenses.

The company has not availed any financial relief related to lockdown from any department of the government of Jharkhand.

We therefore request your good self to kindly include our name in subject case, as party to be impleaded for granting waiver in Fixed Demand charges and any other financial relief the authorities/ government may like to decide in our favour and for which act of your kindness we shall remain grateful.

Thanking you,

Yours faithfully,

For Jamna Auto Industries Ltd.

Plant Head.
