The Chairman

Jharkhand State Electricity Regulatory Commission

New Police Line Road, Opp to C.M.House

[Kanke Road, Ranchi - 834008](#)  
27/08/2020

Date :

Sir,

**Sub : Request letter for waiver of DPS Charges which has been charged on our electricity Bills from the month of March 2020 to July (i.e. March 20 to June 20 when our operations of mines & plant was closed due to Forced Covid Lock-down )**

**Ref : HT Consumer NO 7006/HT110.**

Sir, we are a small mining company having operation in Lawa village, Nimdih Block, Seraikela-Kharsawan District, Jharkhand having above referred Consumer No. Sir, we had to go for **complete shutdown of mines and plant as per Government order since 24<sup>th</sup> March'2020** onwards and have not been able to restart our operations till June 20 due to resistance from local workers and villagers. Since the lockdown was sudden and abrupt, we were unable to process our material which was still under process, and even our receipts were also effected as our clients also had to suddenly stop their operations and thus we were unable to pay your bill within the due date. I hope you would agree that this situation was forced on us and was beyond our control.

Sir, we had already **sent a request letter to Executive Electrical Engineer Seraikela, AEE Chandil dated 05/05/2020, 22.06.2020 & 20.08.20** for exempting us from the payment of **DPS on arrear bills**, but we regret to inform you that – even though there has been a state govt. order( as published in various newspapers) exempting DPS charges for the period of lockdown- we have received electricity **bill of June'2020 which is showing DPS charge of Rs. 33710/- Arrear 73865/-**, Total Arrear carried over 107575/-on June month billing. And we got earlier July month Bill which is again **showing arrear DPS charge of Rs. 33711/- & current DPS 1362/-**

Sir, we have arranged some funds and **are paying our all outstanding electricity ( WITHOUT DPS CHARGES)** upto June month bill and July 20 month bill will also pay.

Sir, we request you to kindly correct our bill statement in your system as regards DPS charges and payments being made currently and issue us corrected August 2020 Electricity bill

Kindly acknowledgement the same.

Thanking you

Yours Truly

Ajay Kumar Gautam  
General Manager
