

**Jharkhand State Electricity Regulatory Commission**  
**TARIFF FOR GROSS/NET METERING OF ROOFTOP SOLAR PV**  
**PROJECTS FOR FY 2018-19**

The Commission had notified the JSERC (Rooftop Solar PV Grid Interaction Systems and Net/Gross Metering) Regulations, 2015, on 10<sup>th</sup> November, 2015, (hereinafter called the 'Principal Regulations') and further notified its 1<sup>st</sup> amendment as JSERC (Rooftop Solar PV Grid Interaction Systems and Net/Gross Metering) (1<sup>st</sup> Amendment) Regulations, 2019. The Tariff for Gross/Net metering of RSPV for FY 2018-19 for consumers of all the Distribution Licensees within the State of Jharkhand shall be as under:

Gross Metering: Rs. 4.16/kWh

Net Metering: Rs. 3.80/kWh

The tariff approved as above for FY 2018-19 shall be applicable from the date of notification of the JSERC (Rooftop Solar PV Grid Interaction Systems and Net/Gross Metering) (1<sup>st</sup> Amendment) Regulations, 2019 in Jharkhand Gazette and shall remain effective till the issue of subsequent Tariff Order/Individual Order as the case may be.
