4.9 Opening and Evaluation Of Bids:

4.9.1 All Bids will be opened in the office of the **“Secretary, Jharkhand State Electricity Regulatory Commission, 2nd Floor, Rajendra Jawan Bhawan-cum-Sainik Bazar, Main Road, Ranchi-834001”** by the officers of the JSERC authorized for this purposes at **15.00 Hrs on 16th April 2018.** The authorized representatives of the Bidders may attend the Bid opening.

(iii) Part I of the Bid shall be opened on the date of opening. Part II of the Bid i.e. **“Price Bid”** shall not be opened at this stage. Firstly, Envelope I of the Bid containing Processing Fee and Earnest Money shall be opened. The Bids with Processing Fee and/or Earnest Money deficient in value and/or form will be rejected. Envelope II of Part I **“Technical and Commercial Bid”** of the Bids of only those bidders who have submitted requisite Processing Fee and Earnest Money, in value and form, in Envelope I shall be opened.

(iv) Part II of the Bid i.e. **“Price Bid”** of only those bidders whose **“Technical and Commercial Bid”** has been ascertained to be acceptable shall be opened at a subsequent date for which separate intimation will be sent.

4.9.2 Preliminary Examination of Bids:

- (i) To assist in the examination, evaluation and comparison of bids the JSERC, may at its discretion ask any Bidder for clarification of his bid, including break-up of unit rates. The request for clarification and the response shall be in writing, by fax or electronic mail but no change in the price or substance of the bid shall be sought, offered or permitted.
- (ii) Prior to the detailed evaluation, the JSERC will determine whether each Bid is of acceptable quality, is generally complete and is substantially responsive to the Bid Documents. For purposes of this determination, a substantially responsive Bid is one that conforms to all the terms, conditions and specifications of the bid Document without material deviations, objections, conditionalities or reservations. A material deviation, objection conditionality or reservation is one (i) that affects in any substantial way the scope, quality of performance of the Consultant; (ii) that limits in any substantial way and / or is inconsistent with the Bid Document or the JSERC's rights or the successful Bidder's obligations under the bid specifications; or (iii) Whose rectification would unfairly affect the competitive position of other Bidder's who are presenting substantially responsive Bids.
- (iii) If a Bid is not substantially responsive, it will be rejected by the JSERC.

4.9.3 Evaluation and Comparison of Bids:

The evaluation of Bids shall be carried out based upon Quality and Cost Based System (QCBS).

(i) Technical Evaluation:

The Technical and Commercial Bid shall be evaluated applying the technical evaluation criteria, and point system as outlined in Clause 3.3.

Each responsive Bid will be given a technical score as above. A proposal shall be rejected at this stage if it does not respond to important aspects of the Bid Document or if it fails to achieve the minimum technical score of 65.

(ii) Evaluation of Price Bid:

- (a) The list of bidders whose offers have been selected after technical evaluation shall be displayed on the Notice Board and website of the Commission. JSERC shall also simultaneously notify the bidders found successful in technical evaluation indicating the date and time set for opening the Price Bid. The notification may be sent by registered letter, fax, or electronic mail.
- (b) The Price Bid shall be opened in the presence of the bidders' representatives who choose to attend. The quoted prices shall be read out and recorded when the Price Bids are opened.
- (c) The evaluation committee will determine whether the Price Bids are complete and correct and those bids which are not complete and correct shall be rejected.
- (d) Each bid will be ranked with a score as per the methodology outlined in Clause 3.1. The bidder with the highest score will be selected.

5. AWARD OF CONTRACT

5.1 JSERC's Right To Accept Any Bid And To Reject Any Or All Bids:

JSERC reserves the right to accept or reject any bid, and to annul the bid process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the affected Bidder or any obligation to inform the affected Bidders or Bidder of the grounds for JSERC's action.

5.2 Negotiation:

5.2.1 The firm scoring the highest combined technical and financial score will be invited for negotiations. The aim is to clarify all points and to finalize the draft agreement.

5.2.2 Negotiations will include a discussion on the Technical Bid, proposed methodology (Work plan), staffing pattern and suggestions made by the firm to formulate the Terms of Reference. The JSERC and firm will then work out final Terms of Reference including staffing, periods to be spent in the field and in the home office, staff-months, logistics, and reporting as also the inputs required from the JSERC to ensure satisfactory implementation of the assignment. Final Terms of Reference will then be incorporated in the contract.

- 5.2.3 Having selected the firm on the basis of, among other things, an evaluation of proposed key professional staff; the JSERC expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, the JSERC will require assurances that the experts will be actually available.
- 5.2.4 The negotiations will conclude with the finalization of the draft contract. If the negotiation with the firm as above fails, JSERC will invite the short listed firm who has secured the second highest combined score to negotiate a contract.

5.3 Notification of Award

- 5.3.1 Prior to the expiration of the period of bid validity, JSERC shall notify the successful bidder, in writing, that its Bid has been accepted. The same shall be in form of Letter of Award (LOA). The zero date of contract shall start only when LOA is provided. The contract validity is two years from the date of LOA extendable by another one year. The performance of the successful bidder will be reviewed after expiry of a year to consider for allowing the bidder to continue for the second/next year.

5.4 Signing of Contract Agreement:

- 5.4.1 Before signing of the Contract Agreement, the consultant shall submit irrevocable bank guarantee towards contract performance security for the amount of ten percent (10%) of the total value of the contract valid up to ninety (90) days beyond the scheduled date of completion of assignment.
- 5.4.2 Following negotiations, JSERC will notify the successful Bidder in writing by registered letter or by fax to be confirmed in writing by registered letter that his bid has been accepted and requesting the successful bidder to execute the contract agreement within the specified time period after furnishing requisite Performance Guarantee (security) as per Clause 5.3.1 above. Failure on the part of successful BIDDER to execute Contract Agreement within time as informed by JSERC may lead to cancellation of contract and forfeiture of Earnest Money.
- 5.4.3 The successful bidder shall maintain secrecy of all sources/information/data connected with the project. The successful BIDDER shall furnish bond of confidentiality of data/information handed over to them or processed by them for undertaking their consultancy job.
- 5.4.4 In course of undertaking consultancy job, the successful bidder shall have to submit required papers/reports/studies in hard copy as well as soft copy more than one copies as desired by JSERC.
- 5.4.5 It is the JSERC's policy to require that bidders observe the highest standard of ethics during the selection and execution of such contracts. JSERC will cancel the firm's contract if at any time it is found that corrupt or fraudulent practices were engaged in by the representatives/staff of the firm.
- 5.4.6 The successful bidder shall be responsible for all patent infringements for the scope of supplies and services provided by them.
- 5.4.7 Any dispute in connection with the BID shall be subject to jurisdiction of Jharkhand High Court/District Court, Ranchi.
