12	05.11.2026	Mr. P.A.S. Pati, Learned Counsel appeared on behalf of the Petitioner. None appeared on behalf of the Respondent. The Learned Counsel for the petitioner submitted that a supplementary affidavit has been filed seeking an adjournment of three months to enable preparation and submission of a report to the Jharkhand Renewable Energy Development Agency (JREDA). In this regard, the Petitioner Company, TSL, has relied upon the letter dated 03.11.2026, annexed as Annexure-2 to the supplementary affidavit. It appears that the Commission had earlier directed the Petitioner to submit the report. However, on the grounds stated in the supplementary affidavit, the Petitioner has sought additional time for compliance. It is further noted that, vide order dated 18.09.2026, a timeline had already been fixed, which has not been adhered to by the parties. Even on this occasion, an adjournment has been sought for filing the report in response to the communication addressed to JREDA, despite the time already granted. Taking the aforesaid facts and circumstances into consideration, a last opportunity is granted to the parties to submit the required report, failing which, the Commission shall pass an appropriate order on the basis of the materials available on record.
